

Solar photovoltaic modules

Five Year – Limited Warranty

Icon Solar – En Power Technologies Private Limited ("EN- ICON") warrants the modules to be free from defects in workmanship and materials under normal application, use, installations and service conditions for five (5) years from the date of sale against Invoice No. :

Name of the Customer:-

Invoice No. :-

Dated:-

Respectively to the original user / purchaser. If the module malfunctions or becomes inoperable due to a defect in workmanship or material during the five year period of this warranty, En- Icon will, at its option, either repair or replace the module. This warranty transfers from the original user / purchaser to subsequent user / purchaser, but is void if the module is moved from its originally installed location.

Ten Year Extended Term Limited Warranty on Power Output.

For a period beginning from the date of sale of modules to the original user / purchaser and ending ten (10) years thereafter, En-Icon will either replace any module that demonstrates a power output less than 90% (Ninety per cent) of the rated power output specified at time of delivery by En – Icon. The power output shall be reckoned at Standard Test Conditions ("STC").

Twenty Five year Extended Term Limited Warranty on Power Output

For a period beginning from the Date of Sale of modules to the original buyer/ purchaser, and ending twenty five (25) years thereafter, En – Icon will replace any module that demonstrates a power output less than 80% (Eighty Percent) of the rated power specified at the time of delivery by En – Icon. The power output shall be reckoned at STC.

What the Warranty does not include

If in En-Icon's sole judgment, the module has been subject to misuse, neglect, or accident or has been damaged through misuse, alteration, improper installation or application or negligence in use, transportation, handling or storage or repaired by anyone other than En-Icon representatives, this warranty will be considered void. The warranty does not include any other transportation cost for returns of modules or for reshipment of replaced module, or costs associated with removal of installation or reinstallation of modules.

Limitations of Warranty

En-Icon will not under any circumstances be responsible and liable for any incidental or consequential damage to persons or property or other loss or injury resulting from a defect in the module or from improper installation or use. If the originally supplied module type is no longer produced, En -Icon will supply the current nearest equivalent module type as replacement claims under this warranty will be considered if submitted in writing to the marketing department at our registered office within 15 days following the discovery of any defects covered by this or workmanship claimed to be defective. An authorized representative of En-Icon must approve any claim in writing, warranty with specific details and provide En-Icon, permitted commercially reasonable opportunity to examine and analyze the material.
